FEMA Disaster Declaration for the State of Michigan

The Federal Emergency Management Agency (FEMA) issued a Disaster Declaration for the state of Michigan due to severe storms, flooding, and tornadoes.

Declaration Date: July 15, 2021

Incident Period: June 25, 2021 to June 26, 2021

The following counties were identified by FEMA:

Washtenaw and Wayne

If the subject property is located in one of the above counties and the appraisal was completed on or before June 26, 2021 Homebridge will require one of the following:

- An Appraisal Update and/or Completion Report (Fannie Mae Form 1004D), **or**
- A Desktop Underwriter Property Inspection Report (Fannie Mae Form 2075), **or**
- Catastrophic Disaster Area Property Inspection Report (CDAIR); refer to [Homebridge Bulletin 17-23](#) for details, **AND**
- VA transactions **only** (when appraisal was required). A signed Lender and Veteran Certification

Homebridge prefers the original appraiser provide the 1004D/2075/Catastrophic Disaster Area Property Inspection Report (CDAIR) however Homebridge will accept the report from any appraiser as long as the original Appraisal Management Company assigns the appraiser (i.e. if the original appraisal order was placed through Assurant, the 1004D/2075/CDAIR must also be ordered through Assurant).

A 2075/CDAIR is also required on the following:

- Any property that received an appraisal waiver from DU or an automated collateral evaluation (ACE) from LPA.

NOTE: A 2075/CDAIR is **not required** on an FHA Streamline or VA IRRRL transaction

The 1004D, 2075, or CDAIR must comment on the effect the disaster had on the value and marketability of the subject property. In the event significant damage is indicated on the 1004D, 2075, or CDAIR additional conditions may apply.
