Appraisal Ordering Requirements

- Homebridge will accept appraisals on 203(k) loans from any approved Homebridge AMC
- Ordering Tips:
 - ✓ 203(k) Standard: Order with copy of Work Write-Up
 - ✓ 203(k) Limited: Order with copy of all Contractor Bids

- Appraisals must include the following four items unique to a 203(k) appraisal:
 - ✓ Remarks regarding the scope of work being completed
 - Located in Improvements Section of report
 - ✓ Be completed “subject to” with “After-Improved” value noted in Reconciliation Section of report
 - ✓ Include copies of the Work Write-Up in report
 - Standard: Work Write-Up required
 - Limited: Bid(s) required
 - ✓ Required values differ; see following slides for details

There is only one value required by HUD:

- An “After-Improved” value aka “As-Completed” value is always required
 - ✓ This value is indicated in the Reconciliation section of the appraisal report
 - ✓ The “After-Improved” value is the *only value* required by HUD on 203(k) loans
- The Purchase Price is used as the “As-Is” value
 - ✓ HUD does not require an “As-Is” value; HUD assumes the purchase price is the “As-Is” value

NOTE: If an “As-is” value is provided the lower of the sales price or “as-is” value must be used
